## Paint Creek Valley Dedication

*May 7, 2015*

Paint Creek Valley Addition to Yellow River State Forest,  
Allamakee County, Iowa

---

**You're invited** to help us dedicate the new Paint Creek Valley Addition to Yellow River State Forest. Iowa Natural Heritage Foundation and the Iowa DNR worked with multiple people and organizations for years to make this project a reality. Now the public will be able to enjoy the magnificent trout fishing, bird watching, hiking and hunting that this site makes available. Come help us celebrate!

The ceremony will likely take place in the late morning. An invite with additional details will follow. If you have questions, please contact Heather Jobst at [hjobst@inhf.org](mailto:hjobst@inhf.org) or **515-288-1846 ext. 32**.
